Treatment table Wesseling BASIX 5 (BAS5HMW) (New)

New,
Dutch production,
BASIX 5 is a 5-part table which combines all functions in one table.
The back and middle sections are equipped with two gas springs each, the headrest section with a single gas spring.
The table has height-adjustable armrests next to the head section
Thanks to the armrests, the patient can put his/her hands near the head and adopt a very comfortable position,
As standard, the table is adjustable with a hydraulic cylinder and has wheels with a braking system,
Technical parameters:
