Ceiling Mount Pole CMP-01 (New)

The combination of the CMP-01 and a variety of AG Neovo display mount kits provides comprehensive ceiling mount solutions for small- to large-sized professional displays. The adjustable height and 360 degree of pole swivel function can achieve various viewing angles with WMK-03, LMK-01 and LMK-02 tilt mounts. Designed for public environments, the CMP-01 ensures safety and reliability with the durable steel.

Features:

- Ceiling mounting solution contains CMP-01 with optional WMK-03, LMK-01 and LMK-02 based on display sizes,
- Robust steel design guarantees durability,
- Cables are managed within the pole for concise appearance,
- 50 cm of height adjustment,
- Swivel left and right for 360°,
- Weight capacity: 60 kg per side*,
- Technical Passport,
- 24-month warranty
